

Alice *in wonderland*

Welcome to the
Arcana's puzzles universe !

9 riddles are hidden in the illustration of this jigsaw.
Solve them to find 9 symbols that will lead you to 9 letters.
Unscramble the anagram and enter the Keyword on our
website page :

www.arcana-puzzle.com

To achieve all this, you have to find the differences between
the illustration on the box, and the illustration on the
completed puzzle: some of the details refer to the riddles,
and once solved, each riddle shows you a symbol. With the
letters corresponding, you can create the Keyword.

If it is the right solution... Well done !
You helped The White Rabbit find Alice !

An exclusive illustration will appear on the Website as a
reward. If you need help, you will find hints concerning all
the riddles on our website **www.arcana-puzzle.com**.
