

# *Little Red Riding Hood*

Welcome to the  
**Arcana's puzzles universe !**

5 riddles are hidden in the illustration of this jigsaw.  
Solve them to find 5 symbols that will lead you to 5 letters.  
Unscramble the anagram and enter the Keyword on our  
website page :

To achieve all this, you have to find the differences between  
the illustration on the box, and the illustration on the  
completed puzzle: some of the details refer to the riddles,  
and once solved, each riddle shows you a symbol. With the  
letters corresponding, you can create the Keyword.

If it is the right solution... Well done !  
**You helped Little Riding Hood and her Grandmother !**

An exclusive illustration will appear on the Website as a  
reward. If you need help, you will find hints concerning all  
the riddles on our website **[www.arcana-puzzle.com](http://www.arcana-puzzle.com)**.
